Previous Internships at NEOMA BS:

Most students have done their internships in Montreal but don't limit your search to Québec only. Think about Calgary, Toronto, Ottawa, Vancouver or Waterloo and see what's out there.

For more information, check our internship files in **TCDU Office 2B010**. Besides finding out specifics about these internships (position, company etc.), you will also have access to students' feedback after they've completed their internships.

“Chefs de Tribu”

About 200 graduates from NEOMA BS, also called NEOMA alumni, have been living and working in Canada for many years and the “chefs de tribu” regularly plan social networking events in their cities. You can contact them directly to ask them for more information. Please note that they volunteer their time therefore it's best to **contact them with moderation and specific questions** (but **don't send them your resume or ask them for a job**).

For more information: <http://www.neoma-alumni.com/fr/tribu/canada>

Contact : canada@neoma-alumni.com

« Coach & Moi »

About 280 NEOMA alumni volunteer to provide information to students and answer their questions. They work in various countries, fields, and jobs. You may be matched with 1 to 3 alumni.

If interested in learning more about this opportunity, you should speak with **Christine Charpentier** on the Reims Campus 1 in **Office A104** or contact her at christine.charpentier@neoma-bs.fr / +33 3 26 77 47 72

Country Guide Information
