

# U.K. internship/Job search Tips

The UK is the n° 1 destination for young graduates and has been in the top 5 of internship destinations for the last 10 years.

The aim of this sheet is to provide you with the key information you need to know as a student at NEOMA Business School currently seeking an internship or a job in the United Kingdom.

Do visit [inside.neoma-bs.fr](https://inside.neoma-bs.fr) > My Career for further information

## List of previous NEOMA BS internships

You may consult internship binders/files in office 2B010 on our Reims Campus. Besides finding out specifics about these internships (position, company etc.), you will also have access to students' feedback after they've completed their internships.

Companies tend to take trainees for the same assignments. Feel free to send them an open application

## Heads of the UK/London Club

Number of graduates in the UK: around 1400

Heads of « Tribu »/London Club : Cyrique Bourbon, Samy Hamdan, Guillaume Vandewalle, Mona Hassani and Anaïs Gruss.

You are invited to connect to the [www.neoma-alumni.com](https://www.neoma-alumni.com) portal to see the Tribe's activities. Each student has an account on the site. There, you can locate various graduates according to area, industry, business...

If needed, you can request your ID details from Alexandra Chauvin: [delegue-annuaire@neoma-alumni.com](mailto:delegue-annuaire@neoma-alumni.com)

Note: the alumni have a LinkedIn page : NEOMA ALUMNI : <https://www.linkedin.com/grp/home?gid=4738530>

Many thanks for exercising great diplomacy when using this network.

## Coach & Moi

Through this programme, you can find a graduate volunteering to advise you on your professional project in the UK. To benefit from this coaching, simply contact Christine Charpentier ([christine.charpentier@neoma-bs.fr](mailto:christine.charpentier@neoma-bs.fr) / +33 3 26 77 47 72) detailing your need (the country, the company or sector). The "Coach & Moi" folders are only available in Mrs. Charpentier's office, Reims, Campus 1, Office #1A104

## Country Guides

Several "Country Career Guides" are available via My Career > Resources > Tips for abroad or via the Library portal. You can search by country / sector / etc. The Guides are fairly complete and provide information on the job market, recruitment sites, advice for applying / networking / etc.

The school has a subscription with **Going Global**, a database to explore career and employment opportunities around the globe. Resources include: business and networking groups, job and internship search resources, cost of living data and more.

How to access Going Global:

1. Log on to <http://online.goinglobal.com> from your campus
2. Create a personal account
3. You may now access the database from any computer outside of campus under “Country guides”

## **Information on Work Permits & Visas, Embassies & French Institutions**

U.K. Visas & Immigration : <https://www.gov.uk/browse/visas-immigration>

International students from non-EU countries will require a work permit even for unpaid internships. This is a lengthy and expensive procedure and few companies will commit to it unless the internship is of a 1-year duration.
