OUR LONG-STANDING PARTICIPATING SCHOOLS ...

... AND THE COMPANIES THAT TRUST US

An exceptional event serving your company's ambitions ...

The Top Eight Association would like to thank you in advance for the time and consideration given to our proposal.

We are confident that our tournament aligns perfectly with your company's expectations in terms of visibility, recruitment targets, and brand image.

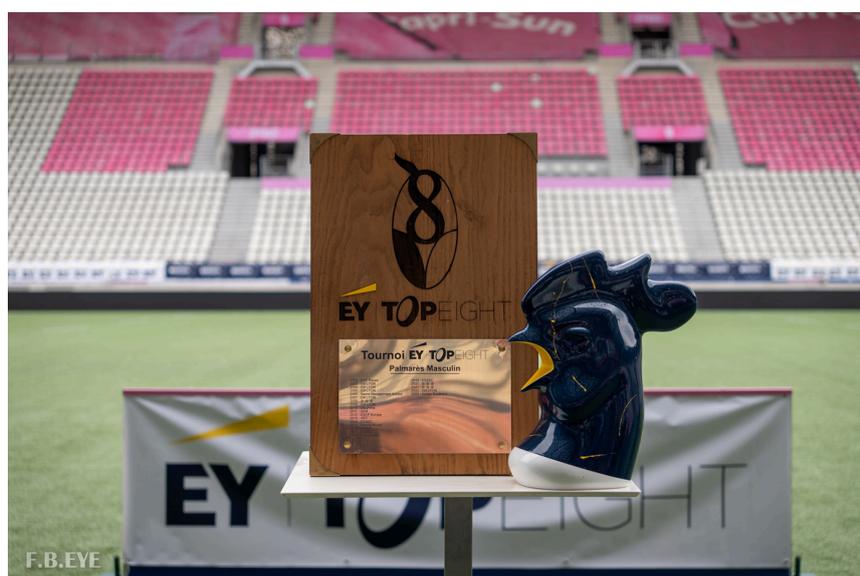

For this 25th edition, we aim to strengthen the connection between university rugby and the corporate world, offering you the opportunity to stand alongside 600 students from France's leading institutions.

Following the momentum created by the 2023 Rugby World Cup, which placed French rugby at the forefront of the international stage, it is now time to further promote university rugby together. Our partners benefit from outstanding visibility at Matmut Stadium de Gerland — an iconic venue in French rugby celebrating its 100th anniversary this year.

We hope this project resonates with you and look forward to the opportunity to meet and discuss it further.

Thank you in advance for your support !

Clément Beylier,
President of the association
